To the Senate Judiciary Committee Members:

We citizens of the State of Michigan owe our State Representatives a thank you for the unanimous vote this month passing Representative Tom McMillin's HB 5768. I am asking the Senate Judiciary Committee members to add their support to the bill and pass it out to the floor for a vote.

This bill, HB 5768, makes it clear to the Federal Government that even though they once again passed the NDAA Act in 2013, our Michigan Leaders intend to support and defend their citizens' rights under the Constitution. The 10th Amendment mandates that: "The powers not delegated to the Unites States by the Constitution, nor prohibited by it to the Staes, are reserved to the States respectively, or to the people."

Michigan is a sovereign State. Passage of this bill will make it clear to the Federal Government that Michigan's elected officials from the Governor on down the line to our City Commissioners will uphold the Constitution by all means possible.

Respectfully,

Connie Lapham
